Hey Duane,

I hate to be difficult but we will need to get a copy of the exemption to include with the required paperwork per Proviso (see attached memo) before we can distribute the funds.

Please let me know if you have any more question.

Thanks!!
Christine

Christine,

Pickens County finance director does not have one for the county. He believes that County's are exempt since they are a subsection of the state.

If not please let me know.

Thank you,
Duane Greene

Hey Duane,

I have to submit the hard copy exemption with all of your paper to EBO. Can you get it from the County for me?

Thanks!

The disbursements are to be made to the County of Pickens since they handle all of the CTC finances. The County is not a business, nonprofit, or charitable organization so I would think they would have a registration exemption.

If there is anything I need to provide to show this please let me know.

Thank you,
Duane Greene
PCTC Chairman

Good Morning Duane,

As required by Proviso 117.21 & 118.19 (d), entities/political subdivisors/receiver organizations are required to registered with the South Carolina Secretary of State's office prior to disbursements of funds. See email attached with instructions.

Please provide me with proof that (1) you are registered or (2) you have an exemption.

We are currently drafting up the agreement and hope to have it to you for review next week.

If you have any questions, please let me know.

Thanks,
