Hey Ben,

After reviewing your quarterly report, I don't believe your balance is correct. When compared to 4th Quarter report, it is higher. My figures have your balance to be $285,703.75 but check behind me. I think if you used the revised quarterly report form we sent it you, it would work out the numbers for you. Please review and let me know which report to upload to our website.

Thanks,
Christine
