Hey Ben and Barbara,

Attached is partially signed FPA for the state Earmark funding. Please sign and witness the document electronically or print in color, **sign and witness it in blue ink**, scan back in color and return to me. Don't worry about dating the first page. I will date it when it is executed by SCDOT. Once it is executed, I will send you an electronic copy and a hard copy original in the mail.

One last piece of business for the State Earmark funding requirements is a quarterly report. Please complete the quarterly report (attached) and submit to me by June 30, 2023. Once the money has been spent, you will no longer be required to submit quarterly report.

If you have any questions, please let me know.

Thanks!!

Christine,
The City of York has no comments at this time. We would like to move forward with the FPA.

Good Morning Ben,

No, we haven't executed the agreement yet.

I am waiting on comments/review from the City. See attached emails. Once I have the comments and addressed them through our Legal office, we can route the agreement for approval.

Please let me know if you need anything.

Thanks!!

Christine,
I have been given the Lincoln Rd. sidewalk project for the City of York. I was forwarded a draft of the Financial Participation Agreement sent on December 6, 2022. Was the draft ever finalized and if so was it signed? Any help you can give would be appreciated.

Thank You,

Ben Wright
