

## LPA Project Evaluation Review Form

At the completion of each LPA project, SCDOT shall evaluate and document the LPA's project management and delivery performance, as related to each phase throughout project development. Unsatisfactory or negligent performance in the management of a Local-let project can result in the denial of future request by the LPA to utilize the Local-let process. All determinations require comment. Completed forms must be copied to SCDOT Office of Local Public Agency Administration.
