

Foundations Technician Certification Experience Form

In order to be certified by the SCDOT as a Pile Driving or Drilled Shafts Technician, an individual needs to have a minimum level of familiarity and experience with the related test procedures, forms, specifications, and general operations. The signature on this form attests that the individual has **demonstrated** to a certified Foundations Technician (hereafter referred to as the "Rater") his/her experience in the areas indicated. This form must be submitted at least one (1) month prior to the class. Applicants without the appropriate completed experience form submitted by the deadline will have their class space forfeited. Refer to the SCDOT Technician Certification Policy at www.scdot.org for additional information. This form should be submitted to:

Tri-County Technical College
Attn: SCDOT Certification
Corporate & Community Education
Division PO Box 587
Pendleton, SC 29670
