

SCDOT
NOTICE TO POTENTIAL PROPOSERS
BRIDGE PACKAGE 15 - DESIGN-BUILD PROJECT

SCDOT will hold an open-forum meeting on September 13, 2022 at 1:00 pm with prospective proposers interested in submitting responses to the upcoming Request for Qualifications for the Bridge Package 15 design-build project in Anderson, Chester, Chesterfield, and Lancaster Counties. The purpose of this meeting will be to gather information on design-build industry's interest in the project and to improve the design-build industry's understanding of the project requirements. SCDOT will reserve 60 minutes for this open-forum meeting to be held via Microsoft Teams video conferencing. This meeting is not mandatory and will not have bearing on the potential short-listing process.

Anticipated Procurement Type

SCDOT plans to utilize a two-phase design-build selection procedure. A best value procurement is anticipated using a weighted criteria formula.

Anticipated Scope of Work

The scope of work for the project currently includes replacement of four closed and load restricted secondary bridges in Anderson, Chester, Chesterfield, and Lancaster Counties. This includes the approach work associated with the replacements.

Anticipated Design-Build Procurement Schedule

September 28, 2022 – Request for Qualifications
November 2022 – Announcement of Short-listed Teams
November 2022 – Request for Proposals Industry Review
December 2022 – Final Request for Proposals
