

SCDOT
NOTICE TO POTENTIAL PROPOSERS
BRIDGE PACKAGE 19 - DESIGN-BUILD PROJECT

SCDOT will hold an open-forum meeting on Wednesday October 9, 2024 at 11:00 am with prospective proposers interested in submitting responses to the upcoming Request for Qualifications for the Bridge Package 19 design-build project in Greenville and Pickens Counties. The purpose of this meeting will be to gather information on design-build industry's interest in the project and to improve the design-build industry's understanding of the project requirements. SCDOT will reserve 60 minutes for this open-forum meeting to be held via Microsoft Teams video conferencing. This meeting is not mandatory and will not have bearing on the potential short-listing process.

Anticipated Procurement Type

SCDOT plans to utilize a two-phase design-build selection procedure. A best value procurement is anticipated using a weighted criteria formula.

Anticipated Scope of Work

The scope of work for the project currently includes replacement of eight closed and load posted secondary bridges. This includes the approach work associated with the replacements.
