Question No.	Category	Section	Page / Doc No.	Question/Comment	Response	Explanation
1	RFP	3	11 of 29 PDF	Section 3.4 Experience of Key Individuals - Are submitting teams required to submit both a project manager (10 points) and an assistant project manager (10 points)? If not, and a team only submits a project manager, will the SCDOT use the full 20 points to evaluate the project manager?	No_Revision	No. Teams may elect to submit either a Project Manager (PM) for the full twenty points that will be solely dedicated to the project or have the option to submit a Project Manager and an Assistant Project Manager (APM) for ten points each. In that scenario, the APM shall be solely dedicated to the project and the PM will be primarily dedicated to this project.
2	PIP	Structures		Can the SCDOT provide the concepts plans for Greenville S-310 (Crestwood Drive) over Langston Tributary?	Revision	File are uploaded to the webiste.
