"I hereby state that to the best of my professional knowledge, information and belief, the survey shown herein was made in accordance with the Minimum Standards Manual for the Practice of Land Surveying in South Carolina and meets or exceeds the requirements for a Class "B" survey as specified therein.

This property is subject to any and all easements and/or rights-of-way of record or not of record.

Except as specifically shown or stated on this plat, this survey does not purport to reflect any of the following which may be applicable to the subject land: easements, other than possible easements that were visible at the time of making of this survey; building setback lines; restrictive covenants; subdivision regulations; zoning or other land use regulations; and any other facts that on accurate and current title search may disclose. This survey does not constitute a title search by the Surveyor.

Pearce Land Surveys does not warrant the existence or nonexistence of jurisdictional wetlands or areas that may be affected by hazardous materials on the survey site.

This survey is not a true and valid print of the original document unless it bears an original signature and related embossed seal of the Surveyor.
