

**NON-CONFIDENTIAL DESIGN-BUILD QUESTIONS
I-77 Exit 26 Interchange - P042443 - Richland County**

FINAL RFP - ROUND 4

Date Received: 7/9/2024

Question No.	Category	Section	Page / Doc No.	Question/Comment	Discipline	Response	Explanation
1	Attach_A	Exhibit_4b		For T-Bridges, is the transition span subject to the bridge aesthetic requirements in Section 2.1.13? Or alternatively stated, if a proposer chooses PSC beams for the transition span, does the beam depth have to be same as the rest of the bridge crossing over I-77?	Structures	Revision	No. Exhibit 4b has been revised to clarify this does not apply to transition spans of T bridges.
2	Attach_A	Exhibit_3		Please clarify diamond grinding requirements for existing PCC pavement.	Pavement	Revision	Diamond grinding is required for all new concrete pavement, existing concrete pavement, and full depth concrete pavement patches.
3	Attach_A	Exhibit_3	pdf page 153 of 396 Scope of Work	Interim Condition 1 requires the team to have all of Community Rd. open (March 31, 2026) but the southern adjacent project on Community Rd. will not be ready to receive all lanes (July 2026). Will the Team be compliant if the pavement is complete but there is a temporary pattern in place to tie with the adjacent project that may not be ready?	Roadway	No_Revision	Yes.
