

SCDOT
NOTICE TO POTENTIAL PROPOSERS
LONG POINT ROAD INTERCHANGE IMPROVEMENT - DESIGN-BUILD PROJECT

SCDOT will hold an open-forum meeting on Wednesday January 15, 2025 at 10:00 am with prospective proposers interested in submitting responses to the upcoming Request for Qualifications for the Long Point Road Interchange Improvement design-build project in Charleston County. The purpose of this meeting will be to gather information on design-build industry's interest in the project and to improve the design-build industry's understanding of the project requirements. SCDOT will reserve 60 minutes for this open-forum meeting to be held via Microsoft Teams video conferencing. This meeting is not mandatory and will not have bearing on the potential short-listing process.

Anticipated Procurement Type

SCDOT plans to utilize a two-phase design-build selection procedure. A best value procurement is anticipated using a weighted criteria formula.

Anticipated Scope of Work

The scope of work for the project includes interchange improvements on I-526 at the Long Point Road interchange, which serves both the Town of Mount Pleasant and the Wando Port Terminal. The primary objective of the project is to enhance operations and address conflicts between port-related traffic and local commuter traffic.
