

Questions and Answers Amendment to U12-N147-PD

1. The SF330 requires resumes (SF330 Section E). We are also being asked to provide resumes as part of Section 4. Resources. *Resumes shall reflect a team comprised of staff with experience successfully implementing similar projects that includes technical writers and graphic designers (with the ability to produce quality graphics and data visualizations).* Do we need to provide resumes in both sections? Do the Section 4 resumes count against the page limit?

You do not need to provide resumes in both sections. Please see the updated SOW

2. There are conflicting accounts of page numbers. Is the page limit 20 double-sided or 30 double-sided?

The page limit is 20 double sided. Please see the updated SOW.

3. Is the SC certification included in the page count?

No, the SC certification is not included in the page count.

4. If we include a table of contents, is that included in the page count?

A table of contents is included in the page count.

5. There are conflicting accounts of how the proposal shall be submitted. Can the proposal be submitted online or do you require a hard copy to be mailed to SCDOT?

The proposal should be emailed to Kirwanei@scdot.org. It may be mailed, but not required.

6. What is the deadline for questions to be submitted?

It is preferred that all questions be in no later than October 14, 2024.

7. Tasks 1.5 and 1.6: Is the 1.6 20 business day approval period in addition to the 1.5 20 business day review period?

Yes, the 20 day signature period is in addition to the 20 day executive staff and FHWA final review/comment period.

8. We were wondering if SCDOT would consider extending the due date until the end of October 2024?

The due date will not be extended.

9. We also wanted to confirm an electronic submittal is what is being requested or if hard copies are desired, how many should be submitted?
