NOTICE TO PROPOSERS – This notice is to inform you of a change to the Milestone Schedule as presented in the Request for Qualifications (RFQ) released on May 21, 2024, and amended by Addendum #1 dated May 28, 2024. The RFQ states that SCDOT will issue the Request for Proposals (RFP) for Industry Review on August 8, 2024. Due to anticipated inclement weather on this date, SCDOT Headquarters and other offices will be closed, therefore, this release date has been moved to August 9, 2024. The intent remains to release the Final RFP in October 2024 and to maintain the other milestone dates as much as practical.
