

STRUCTURAL DRAWINGS AND DETAILS
Instructional Memorandum 700-Numbers
Completion Date Numbers
 June 26, 2024

General

The Completion Date Numbers Drawing provides a uniform height and font that can be readily fabricated in a formliner or stamp to apply the year of completion to Barrier Parapet/Railing.

Instructions to Designer

- This drawing is not to be included in the plan set, but should be available as a reference for the Contractor.
- Refer to the Completion Dates note on the General Notes sheet in the bridge plans for guidance on the placement of the completion date numbers.
