(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate

**Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs.** Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

## **Future Developments**

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

## **Purpose of Form**

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 and you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

**Your privacy.** Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Are submitting this form after the beginning of the year;

2. Expect to work only part of the year;

3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;

4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

5. Prefer the most accurate withholding for multiple job situations.

**TIP:** Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

**Nonresident alien.** If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

# **Specific Instructions**

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option (a) most accurately calculates the additional tax you need to have withheld, while option (b) does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

**Multiple jobs.** Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include other tax credits for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

#### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b) - Multiple Jobs Worksheet (Keep for your records.)

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

**Note:** If more than one job has annual wages of more than \$120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

1	<b>Two jobs.</b> If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, <b>skip</b> to line 3	1	\$	
2	<b>Three jobs.</b> If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.			
	<b>a</b> Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a.	<b>2</b> a	<u>\$</u>	
	<b>b</b> Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b	2b	\$	
	c Add the amounts from lines 2a and 2b and enter the result on line 2c	2c	\$	
3	Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc.	3		
4	<b>Divide</b> the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in <b>Step 4(c)</b> of Form W-4 for the highest paying job (along with any other additional amount you want withheld)	4	\$	
	Step 4(b) – Deductions Worksheet (Keep for your records.)			
1	Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$	
2	Enter:         • \$30,000 if you're married filing jointly or a qualifying surviving spouse         • \$22,500 if you're head of household         • \$15,000 if you're single or married filing separately	2	\$	
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	3	\$	
4	Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information	4	\$	
5	Add lines 3 and 4. Enter the result here and in Step 4(b) of Form W-4	5	\$

### INSTRUCTIONS

#### **Employee instructions**

Complete the SC W-4 so your employer can withhold the correct South Carolina Income Tax from your pay. If you have too much tax withheld, you will receive a refund when you file your South Carolina Individual Income Tax return. If you have too little tax withheld, you will owe tax when you file your tax return, and you might owe a penalty.

Determine the number of withholding allowances you should claim for withholding for 2025 and any additional amount of tax to be withheld. For regular wages, withholding must be based on allowances you claimed and may not be a flat amount or percentage of wages.

Consider completing a new SC W-4 each year and when your personal or financial situation changes. This keeps your withholding accurate and helps you avoid surprises when you file your South Carolina Individual Income Tax return.

For the latest information about South Carolina Withholding Tax and the SC W-4, visit **dor.sc.gov/withholding**.

**Exemptions:** You may claim exemption from South Carolina withholding for 2025 for one of the following reasons:

- For tax year 2024, you had a right to a refund of **all** South Carolina Income Tax withheld because you had **no** tax liability, **and** for tax year 2025 you expect a refund of **all** South Carolina Income Tax withheld because you expect to have **no** tax liability.
- Under the provisions of the Veterans Auto and Education Improvement Act, you are a military servicemember or a military servicemember's spouse who is electing for tax purposes to use the domicile state of the servicemember, the domicile state of the spouse, or the permanent duty station of the servicemember as your state of domicile. Enter the name of the state on the line provided. Refer to SC Revenue Ruling #24-5, available at **dor.sc.gov/ policy**, for more information.

If you are exempt, complete **only** line 1 through line 4 and line 7. Check the box for the reason you are claiming an exemption and write **Exempt** on line 7. Your exemption from withholding expires on December 31, 2025, unless a new SC W-4 is submitted to the employer.

If the state of domicile changes during the year, the servicemember and/or spouse should provide the employer with an updated SC W-4 to ensure the employer withholds the correct amount of Income Taxes for the remainder of the tax year.

**Filers with multiple jobs or working spouses:** You will need to file an SC W-4 for each employer. If you have more than one job, or if you are married filing jointly and your spouse is also working, you may want to consider only claiming allowances on the SC W-4 for the highest earning job and/or adding additional withholding on line 6 to ensure you are having enough withheld.

**Non-wage income:** If you have a large amount of non-wage income not subject to withholding, such as interest or dividends, consider making Estimated Tax payments or adding additional withholding from this job's wages on line 6. Otherwise, you may owe additional tax. The fastest, easiest way to make Estimated Tax payments is using our free online tax portal, **MyDORWAY**, at **dor.sc.gov/pay**. Select **Individual Income Tax Payment** to get started. If you are unable to make an Estimated Tax Payment on MyDORWAY, use the SC1040ES, available at **dor.sc.gov/forms**. Do not mail a paper copy of the SC1040ES if you pay online.

#### **Employer instructions**

Complete box 8 through box 10, as necessary. Employees do not complete this section.

- New hire reporting: You must report newly-hired employees within 20 days after the employee's first day of work. For more information, see SC Code Section 43-5-598 and 42 USC Section 653a or visit newhire.sc.gov.
- Box 8: Enter your name and address. If you are sending a copy of this form to the State Directory of New Hires, enter the address where child support agencies should send income withholding orders.
- Box 9: If you are sending a copy of this form to the State Directory of New Hires, enter the employee's first date of employment, which is the date services for payment were first performed by the employee. If you rehired the employee after they had been separated from your service for at least 60 days, enter the rehire date.
- Box 10: Enter your Federal Employer Identification Number (FEIN).

All employers reporting South Carolina wages or withholdings must submit W-2 forms directly to the SCDOR. Submitting W-2 forms to the Social Security Administration does not meet this requirement. The fastest, easiest way to submit W-2 forms is using our free online tax portal, MyDORWAY, at **MyDORWAY.dor.sc.gov**. Log in to your existing account or create an account to get started. Once you've logged in, select the **More** tab, then click **Upload W-2s**, listed under the **Other** section. Employers can also submit W-2c, W-2G, 1099-R, 1099-NEC, and 1099-MISC forms on MyDORWAY. Follow the previous steps. Under the **Other** section, select the form type you wish to upload.

Withholding Tax Tables and the Withholding Tax Formula are available at dor.sc.gov/withholding.

#### Worksheet instructions

**Personal Allowances Worksheet:** Complete the worksheet on page 3 to determine the number of withholding allowances to claim.

- Line C: Head of household Generally, you may claim the head of household filing status on your tax return only if you are unmarried and pay more than 50% of the costs of keeping up a home for yourself and a qualifying individual. For more information on filing status, refer to IRS Pub. 501, available at **irs.gov**.
- Line E: Dependents The total number of dependents claimed on your South Carolina return must equal the number of dependents claimed on your federal return. This includes qualifying children and qualifying relatives. Enter the total number of eligible dependents.
- Line F: Dependents under the age of 6 Enter the number of dependents from line E who have not reached the age of six by December 31, 2025.

Enter the total from line G of this worksheet on line 5 of the SC W-4.

**Deductions, Adjustments, and Additional Income Worksheet:** Complete this **optional** worksheet if you plan to itemize or claim adjustments to income and want to reduce your withholding, or if you have a large amount of non-wage income not subject to withholding and want to increase your withholding.

- **Reduce withholding:** Complete this worksheet to determine if you are able to reduce the tax withheld from your paycheck to account for your itemized deductions and other adjustments to income, such as IRA contributions. If you reduce your withholding, your refund at the end of the year will be smaller, but your paycheck will be larger.
- Increase withholding: You can also use this worksheet to determine how much to increase the tax withheld from your paycheck if you have a large amount of non-wage income not subject to withholding, such as interest or dividends.

Enter the total from line 10 of this worksheet on line 5 of the SC W-4.
