Plan/Accounting of how these funds will be spent:				
Description	Earmark Budget	Additional Budget (if applicable)	TOTAL Project Budget	Explanation
Design and construct the Columbia Riverfront Gateway Project (i.e. Williams Street extension) from Senate St to Blossom St and extend Greene St from Huger to the proposed Williams Street. If funds allow, include the extension of Devine Street from Huger to proposed Williams St.	\$7,000,000.00	\$9,000,000.00	\$16,000,000.00	The proposed roadway has been contemplated as a public road since Columbia's grid was first planned. The connectivity that will be provided by this proposed roadway will provide critical infrastructure needed for future taxable development as well as enhance vehicular and pedestrian safety by reducing congestion on other surrounding roadways.
Grand Total	\$7,000,000.00	\$9,000,000.00	\$16,000,000.00	

Please explain how these funds will be used to provide a public benefit:
 The funds will be used to design and construct a public roadway, enhancing connectivity between two major corridors and providing the needed access to riverfront property, providing for future taxable development opportunities. The roadway will include public assets such as street lighting, landscape, bike facilities, parking and utility improvements. The funds being provided by the State will be matched with other public/private funds to provide a complete connection between Gervais/Senate to Blossom and from Huger to the new roadway.

Please provide the scope of services for the project:
 This project will involve design and construction of a new roadway and associated amenities such as sidewalk, bikelanes, pedestrian lighting, utilities, etc.

Please provide a timeline / schedule for completion of the project:
 The project is currently in the design stage with construction anticipated to begin in the first half of 2024.
