Good morning Roxanne,
I hope all is well. I have attached another revised copy of the Contribution Distribution report for your records. This report does contain the correct SCEIS Vendor #. Again, I appreciate your patience as we get more familiar with the process. Should you have any questions or need additional information please let me know.
Thank you

Thanks!

This doesn't look to be a correct SCEIS Vendor #. SCEIS is the state's financial system. The Town will need to be registered in SCEIS in order to receive the \$576,000 earmark.

Here's info on SCEIS registration:

I don't know anything about SCEIS, so if you have questions about registration, you'll need to contact the folks at that link.

Good morning.

Thanks for sending!

Please revise the Excel form to reflect the budget for the \$576,000 earmark. It's my understanding that these funds will be used as match for the TAP award received for sidewalks. I've taken a stab at revising the Excel document to reflect that (attached).

Happy to answer any questions.

Subject: SFY 25 State Earmark: \$576,000, Town of Ravenel

Mayor Tumbleston,

The Town of Ravenel has received, via the South Carolina Department of Transportation (SCDOT), a [State Fiscal Year 2024-2025 earmark](#) in the amount of \$576,000 for “Public Safety Project Highway 165 Sidewalk.” The corresponding Senate Community Investment Project Form is attached.

Per the [Executive Budget Office \(EBO\)](#), [Proviso 117.21](#) of the FY 2024-25 Appropriations Act requires each state agency receiving funds that are a direct appropriation for a non-profit organization (to include subgrantees) to obtain a plan for how the funds will be expended by the organization and how the expenditures will provide a public benefit prior to disbursing the funds. The proviso further directs that the organization shall provide quarterly expenditure reports to the respective state agency. After all funds have been expended, the state agency shall report the information provided by the organizations to the South Carolina Department of Administration’s Executive Budget Office, Chairman of the Senate Finance Committee, and Chairman of the House Ways and Means Committee.

[Executive Order 2022-19](#) expands the requirements of Proviso 117.21 by requiring state agencies to collect and provide the above-referenced information from all entities that are receiving a direct appropriation, to include: private entities, political subdivisions of the State, or other external organization. The order also requires the following:

- State agencies shall promptly make available for public review and inspection on the agency or department’s website any and all reports, accountings, forms, updates, communications, or other materials required by Proviso 117.21.
- State agencies shall deliver, tender, disburse, or transmit any appropriated funds

directly the entity designated in the appropriations act and shall be prohibited from providing the appropriated funds to any intermediate for presentment.

- State agencies shall certify to the Governor and EBO annually, in writing, their compliance with the order by the end of the fiscal year.

As required by the proviso, the EBO has developed templates to be used by state agencies to ensure their compliance with both the proviso and the order. These templates are attached for your convenience.

Please complete and return the ***FY 25 Earmarked Appropriations Disbursement Request Form*** to me. After the fully completed form is received, and the State Treasurer's Office has released the funds to SCDOT (statutorily required by 9/30), the funds will be disbursed via SCEIS to the entity administering the state earmark.

Per the proviso, quarterly reports must be provided to SCDOT. The form, ***FY-24-25 Quarterly Expenditure Report***, is attached. Please note the due dates at the top of the form, which should also be emailed to me.

Please reach out with any questions regarding this correspondence.
